SA COUNCIL MINUTES

October 29, 1963

The devotional was led by Mike Moore and Jim Wilson with members of the Council participating in a sentence prayer.

Bob Jones was present for the first part of the meeting. Rob Smith, Methel Bales, and Tom Kirk were absent. Linda Lee and Jim Wilson had to leave early.

The question of a memorial for Mrs. Stapleton was discussed. It was noted that some kind of lasting memorial should be designated and purchased with the money which was collected in the dormitories. A committee is to be appointed to study the matter.

Joel mentioned that the LCC band was scheduled to visit here but that their administration had cancelled the trip.

Someone has suggested a solution to the problem of ice cream melting in the dining hall before it can be eaten--coupons which could be redeemed at the end of the meal. Joel is to see Mrs. Hart about the possibility.

Dean Pryor, head of the Athletic Committee, readily assented to having an invocation before football games. Jim Miller will be in charge of the arrangements for each game.

Dr. Walker has said that additional FM speakers for the dining hall could be purchased for about \$50. This possibility will be discussed further in a future meeting. The tape recorder is still in the shop.

The plaques for the FM speakers in the student center have been purchased and put on the speakers.

Dr. Gilliam has finished the evaluation of the club officers' work shop. Evaluations are to be of pledge week and Homecoming by the Executive Council. Dr. Gilliam suggested that the chairman of every activity draw up an evaluation sheet before the activity takes place so that tabulations can be made more quickly.

Loverd reported that Mrs. Hart opens the dining hall at 11:45 on Sundays when there is a long line at that time.

The decorations in the dining hall are to be taken down.

Joel expressed concern over the increasing number of absences and conflicts and urged Council members to be more careful in scheduling their activities.

The meeting was adjourned.
